# West Michigan Airport Authority MEETING MINUTES

April 10th, 2022 \*\*\*11:30 a.m. – 1:00 p.m.\*\*\*

60 Geurink Blvd. Holland, MI

**PRESENT:** Doug Barense, Dave Hoekstra, Kevin Klynstra, Beth Blanton, Elisa Hoekwater, Ken, Brandsen, Chuck Murray

**ABSENT: Skip Keeter** 

**OTHERS PRESENT:** Scott Corbin (Zoom), Aaron Thelenwood (Director), Amanda Davio VanLaar (Zoom), Lynn McCammon (Treasurer), Peter Eichleay (FlightLevel-Zoom), Alan Radlo (FlightLevel-Zoom), Leanne Schaffer (Boileau & Co.) Lucy Ebels, Garret Hain (Av Flight), Joseph Meszaros (Av Flight), Dave Craig (West Shore Aviation), Mrs. Chambers' Hamilton Schools Sixth Grade Class

Board Chair Klynstra called the meeting to order at 11:35 a.m.

#### 23.04.01 Public Comment.

Dave Craig from Westshore Aviation inquired about an update to the ongoing deicing/snow removal conversation on the runway and as to whether any progress has been made in advance of the meeting to discuss the subject in May.

#### 23.04.02 Approval of Agenda (Action Requested).

Hoekstra made a motion with support from Barense to approve the meeting's agenda. Motion carried.

#### 23.04.03 Approval of March 20<sup>th</sup> Meeting Minutes (Action Requested).

It was noted that the date on the minutes is recorded as March 13<sup>th</sup> rather than March 20<sup>th</sup>.

Barense made a motion with support from Hoekstra to approve the minutes as presented with the date correction.

Motion carried.

### 23.04.04 Presentations from Hamilton Schools: Future Prep'd Airport Student Project proposals (No Action).

Hamilton Schools Project Based Learning program partnered with WMRA to challenge a 6th grade class to come up with ways to better engage school-aged students with the airport. On March 20th, the students presented their final projects alongside other 6<sup>th</sup> grade classes partnered with a variety of local businesses. The winning 6<sup>th</sup> grade PBL project came from the class partnered with WMRA, the winning project suggesting a partnership with Career Line Tech Center to introduce aviation classes to middle and high schoolers.

Ms. Chamber's sixth presented each of their projects to the Board. Other ideas included a radio ad, an outdoor playscape, a video introducing WMRA to teachers, and an RC Club.

### 23.04.05 Adoption of Rules of Airport Authority Board and Regular Meetings (Action Requested).

Sustainability and Operations Specialist VanLaar presented the Rules of the Airport Authority Board. It was clarified that votes should be completed with a simple majority (document currently states 2/3 majority) and reiterated that individuals providing public comment on non agenda items are limited to five minutes each. Board members also discussed the rule for five minutes on agenda items. It was decided that that amount of time is appropriate to allow for comment on other agenda items.

Barense made a motion with support from Brandsen to adopt the Rules of the Airport Authority Board and Regular Meetings with the correction of a simple majority requirement on action items.

Motion carried.

### **Item Added to Agenda: Formation of HR Committee to Review Director's Performance Evaluation**

As permitted under the Rules of the Airport Authority Board and Regular Meetings, Board Chair Klynstra put forward a request to establish a human resource committee. This committee will be responsible for reviewing the director's annual evaluation discussing any additional merit raise beyond the annual CPI adjustment as permitted under their contract. This committee will include Chair Klynstra representing City of Zeeland, in addition to Chuck Murray (City of Holland) and Elisa Hoekwater (Park Township).

Barense made a motion with support from Blanton to approve the Board Chair's creation of the Human Resources committee to review the Director's annual evaluation and any subsequent merit raise.

Motion carried.

#### 23.04.06 Set Public Hearing for FY24 Budget (Action Requested).

Director Thelenwood and Treasurer McCammon presented to the Board the draft FY24 Operations & Capital budgets as well as the proposed Action Plan and five year financial outlook.

Hoekstra made a motion with support from Murray to set the public hearing for the FY24 Budget for the next board meeting on May 8<sup>th</sup>, 2023. The notice for the public hearing will be posted on the Holland Sentinel and the airport's website, with a minimum of seven days' notice. Motion carried.

#### 23.04.07 Resolution: Adopting ARPA Funding (Action Requested).

Director Thelenwood presented to the Board the Resolution for adopting 2021 ARPA Funding. The formal resolution is required by MDOT to submit reimbursement for the funds. Murray asked if the date should be changed to reflect the current Board Meeting date, however, action to accept the ARPA funding was taken at last month's meeting on March 20<sup>th</sup> so no changes needed to be made.

Brandsen made a motion with support from Barense to approve the formal resolution for adopting ARPA Funds.

Motion carried.

### 23.04.08 Taxilane Design Contract with Mead & Hunt & Cost Comparison (Action Requested)

Director Thelenwood provided an update on the north Taxilane project and presented the Board with a contract for the Design Phase of the project. In addition, the Board reviewed a cost comparison for construction provided by MDOT which compared Mead & Hunt's proposal with similar construction projects. Proposed costs were in line with MDOT's comparable projects.

Barense made a motion with support from Murray to approve the Taxilane Design Contract with Mead and Hunt and approve the cost comparison provided by MDOT.

Motion carried.

#### 23.04.09 FBO Operations Report: (Action Requested).

In lieu of a regular operations report, the Board received updates from representatives of AV Flight and Maintenance Manager Mike. The report indicated that the airport's performance in March was comparable to that of the previous year. During the meeting, the Board also welcomed Mike Tarr and discussed the importance of maintaining good relationships with tenants. The feedback received so far has been positive, and the team is working towards scheduling inspections and hiring another maintenance staff member. Additionally, Aaron provided support for Mike's work and opened the floor to questions from AV Flight regarding their transition. The transition is progressing well, and they aim to conclude by the end of May pending feedback from legal.

Hoekstra made a motion with support from Hoekwater to approve the FBO Operations Update Report.

Motion Carried.

#### 23.04.10 Financial Reports (Action Requested).

Treasurer McCammon presented the Financial Reports to the board. Motion made by Blanton and seconded by Barense to approve the financial reports as presented. Motion carried.

#### 23.04.11 KPI Dashboard Database (No Action)

This report was tabled until next month's board meeting.

#### 23.04.12 Manager's Update:

- a) **Crosswind Runway Discussion** continuing conversations on runway, pulling together data from Mead and Hunt and working with B&D committee to review the project.
- b) N. Taxilane Schedule- Construction set for Spring 2024
- c) **Millage Campaign Planning** Staff is reviewing past millage campaigns to determine best strategy for the upcoming campaign

#### 23.04.13 Adjourn.

Barense made a motion with support from Brandsen. Meeting adjourned 1:04pm.

May 8<sup>th</sup>, 2023 **REPORT 4** 

**To:** West Michigan Airport Authority Board.

**From:** Aaron Thelenwood, Airport Authority Director.

Subject: Public Hearing on Fiscal Year 2024 Operating and Capital Budgets.

Annually, the Airport Authority Director prepares and submits the proposed operating and capital budgets for the next fiscal year to the Authority Board for consideration. The Airport Board reviews the budgets and schedules a Public Hearing to adopt the final budgets. On April 10<sup>th</sup>, 2023, the Board held a meeting to review the preliminary proposed budgets and voted to schedule a Public Hearing to review the proposed budgets for consideration of adoption on May 8<sup>th</sup>, 2023.

Coming out of the COVID-19 pandemic, traffic at the airport has begun to rebound. Additionally, our current FBO, FlightLevel Aviation has been able to maintain key staff related to FBO and ramp side services while also stabilizing maintenance services with a full-time service technician and a new Director of maintenance. As a result, the estimated fuel flowage and landing fees are still being budgeted conservatively, though we are optimistic they will improve over the prior fiscal year. The estimated operating budget revenues for FY24 are \$697,000. Additionally, the Airport is entitled to \$249,000 in Bipartisan Infrastructure Law funding, in response to the pandemic, to offset standard expenses of the Airport. Further, FY21 ARPA funds are now available and will be applied to FY23 expenses. These funds will be released on a reimbursement basis, totaling \$148,000. The Airport Authority also saw over \$700,000 in revenues derived from the sale of Parcel K, which will be transferred to the Airport's Capital Fund. Property Tax revenues are expected to remain strong as real estate markets remain strong. The millage rate is recommended to remain at one-tenth of a mil, though the Airport Board has set a goal of pursuing new millage campaigns in potential airport authority partner communities.

Costs for staffing are expected to increase by \$49,000 due to increased staff time allocated to the Sustainability and Operations Coordinator position and annual contractual increases for the Director role. Budgeted legal expenses are recommended to remain at \$20,000 in FY23 due to ongoing anticipated development interest and other key initiatives of the Board. Legal expenses were substantially higher in FY23, but the majority of these are expected to be reimbursed following the final transfer of the FBO agreement, when that occurs. This budget

60 Geurink Blvd., Holland, MI 49423 P (616) 368-3023

Comprising City of Zeeland, Park Township and City of Holland

also reflects ongoing consulting fees with the Airport's consultant, Mead & Hunt, related to ongoing strategic support services.

There are five Capital Projects currently scheduled for FY24:

- Deicing Equipment
- T-hangar Repairs
- Runway Stairs/Ramp
- Reimbursement Hangar Park EA
- Reimbursement Hangar Taxilane PE
- Wetland Mitigation
- Construction for Hangar Park
- Design for Taxiway A Rehab

#### **Recommendation**

- 1. That the Board Approve the Budget documents as presented;
- 2. After closing the public hearing, the Board take separate action to approve a Resolution Formally Adopting the FY24 Operations Budget, Capital Budget, and Action Plan.

**To:** West Michigan Airport Authority Board.

**From:** Aaron Thelenwood, Authority Director

**Subject:** FY24 Action Plan

#### I. Stabilize FBO Services:

Finalize FBO Transfer agreement and bring FBO services back in-line with both the parameters as outlined in the existing FBO agreement and the expectations of airport users. Work closely with the FBO to expand maintenance service operations on-field.

#### II. Get operations back to and maintained at National GA Designation Level

Work to increase the number of instrument rated operations on-field to 5,000 and above on annual basis, in-line with the requirements under the FAA's National GA classification. Ensure number of based jets and interstate/international flights are maintained well above FAA minimum requirements. Increase outreach to based users regarding the importance of filing a flight plan when possible and the direct impact on the airport's designation. Plan accordingly for future projects to ensure impacts on operations are minimized and that disruptive projects are not scheduled during FAA assessment years. Establish living dashboards to track relevant classification metrics month to month and report back to the Board.

#### III. Increase operations to 40,000 (July 1st, 2023 - June 30th, 2024)

Work with FBO to expand operations on-field. Continue to press marketing initiatives that build awareness of the airport and its amenities and new development opportunities and business partnerships which promote operations.

#### IV. Increase staffing- 2 FTE

Continue working to ensure the Airport Authority is staffed appropriately to meet the challenges of today and the opportunities of the future. New partnerships, development, and stakeholder expectations will continue to put pressure on the Airport Authority staff. Appropriate staffing levels will ensure the Authority remains adaptable and able to meet these demands. Expanding current hybrid

The West Michigan Airport Authority will provide the public with state-of-the-art global air access to strengthen the local economy and improve the area's quality of life.

positions to fulltime will also work to promote stability, retention, and return on investment of ongoing training and skill development.

#### V. Flight school established

Following approval by the Airport Authority in December of 2022, 4One Air has been operating their flight school successfully with goals to expand and add new instructors.

#### VI. Establish a KPI Dashboard for monitoring metrics

Having a living database that is easily accessible to the Board, staff, and community will be critical in ensuring ongoing stewardship of the West Michigan Regional Airport and will help to identify trends across separate data. Additionally, this will allow the airport authority to more readily monitor key operational metrics tied to classification and funding. Amanda VanLaar is making great progress developing the baseline framework of the database.

#### VII. North Taxi Lane construction complete

Due to the timing of available MDOT grant funding and recent changes to MDOT's project approval process, which now requires completion of the Environmental Assessment and Design Phase before construction bidding can begin, construction will likely need to be moved to spring of 2024. The North Taxilane Project is still scheduled for FY23 funding. This project will be instrumental in getting parcels B&C development ready, and will lay the foundation for the Airport Business Development park and a whole host of new economic opportunities on field.

## VIII. Millage campaign for additional municipalities in full swing for November ballot

Expanding support for the airport authority to other communities will be critical in both bringing new perspectives and expertise to the Board while also expanding support for critical capital projects. Identifying a strategic partner for a campaign will be the first major step. Leveraging existing partnerships, the expertise of Boileau & Co., local economic development organizations, and support like JET will be critical in driving messaging.

#### IX. Complete Baseline Feasibility study for eVTOL

60 Geurink Boulevard, Holland, MI 49423 P (616) 368-3023

Identify advanced air mobility options and feasibility on field is becoming more and more important as the state of Michigan expands investment in this new sector. A good first step will be evaluating the merits of a vertiport on field and planning for future siting on WMRAA's ALP.

#### X. Community engagement & visioning process ½ way complete

This process would focus on brining relevant community perspectives to the table regarding the airport, the ser4vices it provides, and the role it serves in the community. Like a smaller master planning process, the objective would be to set a much more targeted long-term vision for the Airport Authority.

#### XI. Established clear directions for North Business Park Taskforce

Provide clear directives tot her taskforce regarding the specific type of business and opportunities the airport authority is looking to attract to the Airport Business Development Taskforce. From there, the Taskforce can establish objectives and strategies in attracting new businesses as well as supporting outreach and marketing efforts.

#### XII. Complete on-ground transportation study

One pressing challenge the airport currently faces is transit to and from the airport. With limited taxi service a lack of Uber or similar ride share services, and no public transit options, travel from the airport can prove tricky. COVID had a negative impact on rental car services as well which we are starting to see some return to normalcy. The airport will work to expand its role as a multimodal transit hub by partnering with local transit experts and organizations. A transportation study can help the airport authority identify potential resources and solutions. Staff is in early conversations with regional transit partners to outline possible collaborations in this space.

#### XIII. Identify targeted goals for diversifying revenues on field

As opportunities and expectations of the airport authority continue to grow, along with development and maintenance costs, it will be more and more important for the Airport Authority to establish diverse and sustainable revenue streams. Partnering with a consulting firm to benchmark other airports may prove an effective and efficient approach to identify effective revenue models.

Ongoing educational partner engagements will likely quickly lead to official commitments to support ongoing education on-field. Airprot Staff have begun extensive outreach and engagement with regional

### RESOLUTION TO APPROVE THE PROPOSED ANNUAL BUDGET AND CERTIFY MILLAGE AMOUNT FOR FISCAL YEAR 2024

Whereas, the West Michigan Airport Authority annual budget for the fiscal year July 1, 2023 through June 30, 2024 was presented to the Authority on April 10<sup>th</sup>, 2023; and

Whereas, the Authority has reviewed, considered and revised the proposed budget; and

Whereas, the Airport Authority held a public hearing concerning the proposed budget on May 8<sup>th</sup>, 2023, at the Airport Business Center, 60 Geurink Blvd. Holland, MI 49423;

**Now, Therefore Be It Resolved**, that the West Michigan Airport Authority Board approves the fiscal year 2024 operating and capital budgets as presented; and

**Be It Further Resolved,** that the .10 property tax millage rate to support the proposed budget is part of this approval; and

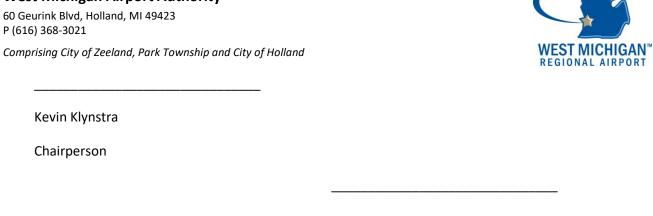

**Be It Further Resolved** that the Airport Authority does hereby adopt the Annual Budget, of Estimated Revenues and Appropriations, by departmental unit, for all funds as therein presented, to include any modifications approved at the time of the public hearing, for the fiscal year July 1, 2023 through June 30, 2024; and

**Be It Further Resolved** that the Airport Authority Director is hereby authorized to administer appropriation adjustments to the budgets of the fiscal year 2023-24, to the extent that such adjustments do not exceed the 2023-24 *Revised Estimates*, as outlined in the fiscal year 2023-24 annual budgets; and

**Be it further Resolved,** that all open encumbrances at June 30, 2023 will be liquidated and reestablished as of July 1, 2023. The Fiscal Agent, City of Holland Finance Office, is herby authorized to increase overall fund appropriations in the fiscal year 2023-24, directly from *Fund Balance – Undesignated*, equal to re-establish encumbrances; and

**Be It Further Resolved,** that the Airport Authority Director is instructed to notify the member governmental units of the .10 property millage rate for fiscal year 2024.

May 8<sup>th</sup>, 2023 **REPORT # 6** 

To: West Michigan Airport Authority Board.

From: Kevin Klynstra, Airport Authority Board Chair.
Subject: **Director's Evaluation Contract Amendments** 

In January 2023, each member of the Airport Authority Board received and completed a performance evaluation form to assess the performance of the Airport Authority's Director, Aaron Thelenwood, over the calendar year of January 1<sup>st</sup>, 2022 through January 1<sup>st</sup> 2023. This evaluation is required to be completed by the hiring anniversary date of the Director, which is January 1<sup>st</sup>. Additionally, I've also requested a performance evaluation be submitted by the only current subordinate of the Director, Sustainability and Operations Specialist Amanda VanLaar. The anonymous (names manually removed from forms) results of the evaluations were presented to Director Thelenwood on May 2<sup>nd</sup>, 2023. In addition, the Board formed a Human Resources Committee specifically to review the results of the performance evaluation and make recommendations to the Board regarding the Director's annual performance pay increase. During the meeting, I summarized the overall responses from the Board and recommendations from the HR Committee.

It was clear that the entirety of the Board approved of the Director's performance over the past year and that the Director currently enjoys the full support of the Board and staff. Areas for improvement were documented and, based on the interpretation of the HR Committee, did not reflect any significant deficiencies in the performance of the Director. Director Thelenwood has a strong grasp of key priorities of the Board and has continued to shepherd the Authority through challenges and opportunities that have arisen over the past year.

As such, the following amendments are proposed to the Director's agreement based on his performance:

- 1. The Director receives the CPI cost of living increase as required under the terms of the original employment agreement: 6.5% for 2023;
- 2. Under the terms of the employment agreement, the Director is allowed up to an 8% Performance Payment adjustment to his annual salary, after the CPI adjustment, subject to approval by the Authority Board. It is recommended that the Board Authorize a 1% additional Performance Payment adjustment. The 1% adjustment is authorized at the Board's discretion, is not guaranteed year over year, and can be approved by the Board anywhere between 0%-8% in addition to the annual CPI

60 Geurink Boulevard, Holland, MI 49423 P (616) 368-3023

adjustment. The HR Committee clarified that the recommendation for 1% is based on the Boards need to get a clearer understanding of it's long-term financial outlook.

#### **Recommendation**

It is recommended that the Board approve the following:

- 1. The cost-of-living CPI adjustment as required under the terms of the Employment agreement;
- 2. The Airport Authority Board Authorize a 1% Performance Pay adjustment, after the CPI adjustment, as allowed under the terms of employment agreement.

<b>Subject:</b> Financial Reports for Ten Months Ended April 30, 2023	Prepared By: Julie Ziurinskas, City Finance

**Recommendation:** Accept Financial Reports as information

The West Michigan Airport Authority is ten months into fiscal year 2023. The mid-year budget amendments approved at the December meeting were recorded and are reflected in the reports. Attached are Budget Performance Reports for the ten months ended April 30, 2023 (83.33% of year), and the Trial Balance Listing and Fund Equity Reports through April 30, 2023.

#### Revenues

Operating revenues for the first ten months totaled \$639,230, or 97% of budget. The sale of parcel K has now been appropriately recorded in the Capital Project Fund, contributing to a decrease in reported revenues as compared to the April financial report.

#### Expenses

Operating expenses for the first ten months totaled \$570,436, or 87% of budget, and are in line with expectations.

#### Capital Budget

Capital expenses for the first ten months includes \$550 in final costs paid toward the Runway reconstruction and lighting project capitalized in prior years, but otherwise does not reflect current project activity as funding information will be obtained from MDOT at fiscal year-end and the related transactions will be recorded then.

#### Trial Balance/Fund Equity

The West Michigan Airport Authority began FY 2023 with a fund balance of \$1,238,950.

Assets totaled \$3,965,650 at April 30<sup>th</sup>, comprised mostly of accounts and lease receivables. The current combined funds cash balance totals \$2,027,255.

Liabilities totaled \$2,658,456 at April 30<sup>th</sup> and primarily represent unearned revenue and deferred inflow of resources-lease (GASB 87).

The fund balance at April 30 is \$2,010,550.
