### ADDENDUM TO INTERIM AIRPORT DIRECTOR AGREEMENT

This Addendum to Interim Airport Director Agreement ("Addendum") is made and entered into this 9<sup>th</sup> day of June, 2025 (the "Effective Date"), by and between the West Michigan Airport Authority, a Michigan Community Airport Authority formed in accordance with Act 206 of the Public Acts of 1957, as amended, MCL 259.621 (the "Authority"), and Jim Storey ("Interim Director").

#### WITNESSETH

WHEREAS, the Authority and Interim Director entered into an Interim Airport Director Agreement dated October 28, 2024, in which the Authority retained Interim Director to perform certain Services<sup>1</sup>, as defined in the Agreement, pursuant to the terms and conditions of the Agreement; and

WHEREAS, the term of the Agreement expires upon the hiring of a full time permanent airport director and manager; and

WHEREAS, the Authority has hired a new full time permanent airport director and manager, effective as of June 9, 2025; and

WHEREAS, the Authority and Interim Director wish to amend the Agreement to extend its term in accordance with this Addendum; and

**NOW, THEREFORE,** in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

#### **AGREEMENT**

- 1. Section 2 of the Agreement is amended to provide that the term of the Agreement shall continue until August 1, 2025. Interim Director shall remain employed by the Authority until August 1, 2025 to continue performing the Services, and to assist with the training and onboarding of the new full time airport director and manager.
- 2. Except as expressly amended by this Addendum, all other terms of the Agreement remain in effect. The provisions of this Addendum will be part of the Agreement and will govern and control in the event of any inconsistency between them and the provisions of the Agreement.

[SIGNATURES ON FOLLOWING PAGE]

<sup>&</sup>lt;sup>1</sup> All capitalized terms not specifically defined herein shall have the same meaning given to such terms in the Agreement.

IN WITNESS WHEREOF, the Authority has caused this Addendum to be signed and executed on its behalf by its Chairperson and the Interim Director has signed and executed this Agreement the day and year first above written.

- **6. NON-LIABILITY OF LANDLORD.** To the fullest extent possible, TENANT agrees that he/she will not hold the WMAA or any of its agents or employees responsible for any loss occasioned by fire, theft, rain, windstorm, hail, or from any other cause whatsoever, whether said cause be the direct, indirect, or merely a contributing factor in producing the loss to any airplane, automobile, personal property, parts, or surplus that may be located or stored in the T-hangar or any other location at the West Michigan Regional Airport ("Airport"); and TENANT agrees that all aircraft and other personal property stored at the Airport shall be stored at the TENANT's sole risk. TENANT shall be responsible for all damages to property caused by TENANT'S or TENANT'S employees' or guests' carelessness, negligence, or neglect. TENANT shall park his/her automobile or guests' automobile(s) in the Hangar when using his/her aircraft to not cause interference with taxiing of other aircraft or general Airport maintenance.
- 7. INDEMNIFICATION. To the fullest extent permitted by law, TENANT agrees to indemnify, defend, and save the WMAA, its agents, officers, representatives, and employees harmless from and against all liability or loss resulting from claims or court action arising directly or indirectly out of the acts of TENANT, its agents, guests, or visitors under this Agreement or by reason of any act or omission of such person. WMAA assumes no liability for loss or injury to persons or property while TENANT is using the Airport facilities.
- 8. ACCEPTANCE OF HANGAR; REPAIR AND MAINTENANCE; DAMAGES. TENANT accepts the Hangar "AS IS". TENANT shall immediately inform the WMAA of all repairs to the Hangar TENANT believes necessary. WMAA shall maintain the Hangar, including hangar doors, door rollers and guides. WMAA agrees to keep the Hangar, including the adjacent parking lot, surface and subsurface, in reasonable repair during the Lease Term at the WMAA's expense, except where disrepair or damage is caused by TENANT or TENANT'S employees or guests, in which case the WMAA shall have the option, but not the obligation, to have the repairs made and expense charged to TENANT as additional rent. TENANT shall always maintain the Hangar in neat appearance and in a safe condition. TENANT shall be liable, at its sole cost and expense, for repair of all damage to the Hangar caused by TENANT or TENANT'S employees or guests, ordinary wear and tear excepted. Upon termination of this Agreement, and subject to Paragraph 16 below, TENANT shall return the Hangar to the WMAA in substantially the same condition as it existed at the commencement of this Agreement, ordinary wear and tear excepted.
- 9. COMPLIANCE WITH REGULATORY REQUIREMENTS. TENANT shall comply with all Federal, State, Local, and WMAA rules, regulations, and policies as may be adopted or amended. In addition, TENANT shall not use the Hangar in a manner that constitutes a violation of applicable Federal, State, or Local requirements. TENANT shall comply with all present and future laws, ordinances, requirements, rules, and regulations of all governmental authorities having jurisdiction over the Hangar or any part thereof. Without limiting the generality of the foregoing, TENANT shall comply with all applicable provisions of the City of Holland Fire and Building Codes, federal and state grant programs, federal, state, and local environmental regulations, FAA policies, rules, and regulations, and Transportation Security Administration (TSA) policies, rules, and regulations.
- 10. RIGHT TO INSPECT, HANGAR LOCK. The WMAA shall have the right to inspect the Hangar at reasonable times and may enter the Hangar without notice for the purpose of inspection, maintenance, determination of active aircraft, or responding to an emergency involving the Hangar. The TENANT will be provided one (1) key for the Hangar lock which shall be returned to the WMAA at the termination of the Agreement. The WMAA lock may not be changed, nor additional locks added, by TENANT. Requests to change the lock by TENANT must be made to the WMAA.
- 11. INCONSISTENT USES. TENANT shall not conduct any non-aeronautical activity from the Hangar. In addition, TENANT shall not use the Hangar for "business activity" within the meaning of the Airport's Minimum Operating Standards unless a separate written agreement is entered into with the WMAA. TENANT shall not use the Hangar for residential purposes.
- 12. MAINTENANCE OF AIRCRAFT. TENANT may perform maintenance activities in the Hangar provided such activities comply with all applicable Federal, State, and Local laws, codes and ordinances. No maintenance or repair of any kind shall be performed in the Hangar on any aircraft other than the one(s) listed in this Agreement.

Preventative maintenance as defined in Federal Aviation Regulation Part 43, Appendix A, may be performed by the owner(s) on the named aircraft so long as it is of a type permitted by applicable building and fire code(s). TENANT, if in the process of constructing or repairing an aircraft, must demonstrate that progress has been made since the prior inspection.

- 13. QUIET ENJOYMENT, SAFETY. TENANT agrees to conduct, and to cause guests and/or invitees to conduct, all activities on the Hangar in a manner that will not interfere with the safety and quiet enjoyment of the Airport by other tenants and members of the public.
- 14. UTILITIES. WMAA shall provide electrical service to the Hangar for normal and customary usage, which shall include lighting and power for the overhead door. WMAA reserves the right to increase the lease payment on a quarterly basis to account for electrical service delivery price fluctuations. If TENANT requires additional electrical services, for example additional outlets or lighting fixtures, or any additional utility services, TENANT may request WMAA modifications, which the WMAA shall not unreasonably deny. If additional services are approved by WMAA, TENANT shall pay for those service modifications. Any alterations or improvements shall become the property of the WMAA and shall remain with the Hangar. Common area restroom cleaning and maintenance services are also provided by WMAA.

#### 15. INSURANCE.

- A. TENANT shall carry and keep in full force and effect, at its expense, a policy or policies of Aviation General Liability or Aircraft Liability (which includes premises liability) with respect to the Hangar and the activities of TENANT of at least One Million Dollars with the West Michigan Airport Authority and the City of Holland as additional insureds. TENANT shall furnish WMAA with certificates evidencing that such insurance is in effect and stating that WMAA shall be notified in writing thirty (30) days prior to cancellation, material change, or non-renewal of insurance. All insurance shall be occurrence in nature and not claims based. All insurance provided by the TENANT shall be primary and not secondary.
- B. TENANT shall furnish WMAA with certificates evidencing that such insurance is in effect before the Agreement is fully executed. TENANT shall then provide evidence of insurance to WMAA not later than January 1 of each following year. Failure to timely provide certificates is a violation of the terms of this Agreement and is grounds for termination of this Agreement.
- C. TENANT shall carry and keep in full force and effect, at its election and at its expense, insurance for fire and extended coverage, insuring for the full insurable value of the aircraft, or related fixtures, furnishings, operating equipment, and personal property located in the Hangar. Any insurance policy(ies) shall provide a waiver of subrogation to the WMAA and the City of Holland.
- D. TENANT shall observe all reasonable regulations and requirements of underwriters concerning the use and condition of the Hangar, tending to reduce fire hazard and insurance rates, and not to permit or allow any rubbish, waste, or products to accumulate on or around the Hangar.

Anything in this Agreement to the contrary notwithstanding, it is agreed that each party (the releasing party) thereby releases the other party (the released party) from liability which the released party would, but for this paragraph, have had to the releasing party during the term of this Agreement, resulting from the occurrence or casualty (i) which is normally covered by a fire and extended coverage policy, or (ii) covered by other insurance being carried by the releasing party at the time of such occurrence.

16. ALTERATIONS TO HANGAR. TENANT shall not make or cause to be made any alterations or improvements to the Hangar without the prior written consent of the WMAA. Subject to the Airport rules, regulations and policies, and all applicable codes, TENANT may install storage shelves or other structures on the Hangar that (i) do not interfere with the principal purpose of this Agreement as set forth in Section 2 above (ii) are not attached to the Hangar structure and (iii) do not harm, or require modification to, the Hangar structure. Upon the termination of this Agreement, at the sole option of the WMAA: (1) The alterations or improvements shall become the property of the WMAA and shall remain on the Hangar; or (2) TENANT shall remove all alterations or improvements and return the Hangar to the WMAA in the same condition as the Hangar existed at the commencement of this Agreement, ordinary wear and tear excepted.

- 17. SPECIAL EVENTS: TENANT agrees that WMAA expressly reserves the right to impose reasonable limitations on TENANT's use of Hangar and to restrict access to public areas during reasonable periods prior to, during, and after special events which may occur at the Airport.
- **18. SNOW REMOVAL:** The WMAA agrees to provide snow removal on the public aircraft and parking areas. TENANT shall be responsible for snow removal within three feet of the exterior of the Hangar.
- 19. NOTICES. TENANT is solely responsible for keeping his/her mailing address, telephone number, and email address on file with the WMAA current and shall notify the WMAA in writing within fifteen (15) days of any change. The WMAA is not responsible for any issues arising from the TENANT's failure to maintain current contact information.
- **20. ASSIGNMENT, SUBLEASE OR TRANSFER.** Except as provided herein, this Agreement is exclusive to the TENANT and shall not be assigned, sublet, or otherwise transferred in whole or in part to any other person or entity, without the express written consent of the WMAA.
- **21. SUCCESSORS IN INTEREST.** Subject to the restrictions upon assignment, sublease or transfer as set forth in Section 20 herein, this Agreement shall be in favor of and bind the heirs, executors, administrators, successors and assigns of the parties hereto.
- **22. TERMINATION, BREACH, OR DEFAULT.** TENANT may cancel this Agreement with ninety (90) days prior WRITTEN notice to the WMAA. Failure to provide written notice to the WMAA will result in the TENANT being charged the next quarter's rent. The WMAA may cancel this Agreement by giving the TENANT ninety (90) days prior written notice to the TENANT. Notwithstanding the foregoing, the WMAA may also terminate this Agreement (a) upon thirty (30) days written notice to TENANT of a default under this Agreement, including without limitation payment default, or (b) immediately if TENANT conducts any criminal activity or violation of any laws, codes, rules, regulations, and/or policies, of any governmental authority having jurisdiction over the Hangar or any part thereof which violation constitutes a danger or hazard to persons or property, as determined at the sole discretion of the WMAA.
- **23. ATTORNEY'S FEES; COSTS.** In any dispute between the WMAA and TENANT, the prevailing party shall be entitled to recover from the other party all reasonable costs, including without limitation, reasonable attorney's fees. "Prevailing party" shall include without limitation, a party who dismisses an action for specific performance or for damages in exchange for sums due, performance of covenants breached or consideration substantially equal to the relief sought in the action.
- 24. NOTICE OF LIEN. The TENANT hereby gives and grants to the WMAA a lien upon all fixtures, chattels and personal property of every kind and description now or hereafter to be placed, installed or stored by TENANT, at the Airport; and agrees that in the event of any failure on the part of the TENANT to comply with each and every one of the covenants and obligations hereof, and after any giving TENANT any required applicable notice of default, the WMAA may take possession of and sell the same in any manner provided by law and may credit the net proceeds upon any indebtedness due or damage sustained by WMAA, without prejudice to further claims thereafter to arise under the terms hereof. Furthermore, the WMAA shall have the right to pursue any action permitted under the law resulting from the filing of a lien against TENANT's property at the Airport for any of the above-described events.
- **25. NO WAIVER.** No waiver by a party of any provision of this Agreement or of the regulations governing the use of the Hangar shall be considered a waiver of any other provision or any subsequent breach of the same or any other provision, including the time for performance of any such provision. The exercise by a party of any remedy provided in this Agreement shall not prevent the exercise by that party of any other remedy provided in this Agreement.
- **26. ENTIRE AGREEMENT.** This Agreement contains all the representations and the entire understanding and agreement between the parties pertaining to the use of the Hangar or any other matters connected therewith. All correspondence, memoranda, oral or written agreements pertaining to the Hangar or the parties hereto, which

originated before the date of this Agreement are null, void and are replaced in total with this Agreement. This Agreement shall not be altered, amended, or modified except in writing signed by the WMAA and TENANT.

- **27. LAWS/FORUM.** This Agreement shall be governed by and interpreted according to the laws of the State of Michigan. No action shall be brought by any party hereto except in a court having jurisdiction in the State of Michigan and a venue in Allegan County, Michigan.
- 28. ENVIRONMENTAL COVENANT. During the Lease Term, TENANT represents and warrants to WMAA that TENANT shall keep or cause the Hangar and Airport property to be kept free of hazardous materials<sup>1</sup>, except to the extent that such hazardous materials are stored and/or used in compliance with applicable federal, state and local laws and regulations; and without limiting the foregoing, TENANT shall not cause or permit the Hangar or Airport property to be used to generate, manufacture, refine, transport, treat, store, handle, dispose of, transfer, produce, or process hazardous materials except in compliance with all applicable federal, state and local laws and regulations, nor shall TENANT cause or permit because of any intentional or unintentional act or omission on the part of TENANT, TENANT'S employees or invitees, a release or spill of hazardous materials onto the Hangar or onto any other contiguous property. TENANT shall defend, indemnify and hold harmless WMAA, its employees, agents, officers, directors, successors and assigns from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs, or expenses, including without limitation, attorneys and consultants fees, investigation and laboratory fees, court costs and litigation expenses (attorney's fees, court costs, and expert witness expenses shall be through all appellate, enforcement, or collection proceedings) known or unknown, contingent or otherwise, arising out of or in any way related, to: (1) the presence, disposal, release, or threatened release of any hazardous materials on, over, under, from or effecting the Hangar or the soil, water, vegetation, buildings, personal property, persons, or animals; (2) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such hazardous materials on the real estate; (3) any litigation commenced or threatened, settlement reached, or government order relating to such hazardous materials with respect to the Hangar; and (4) any violation of laws, orders, regulations, requirements or demands of governmental authorities or any policies or requirements or demands of governmental authorities or any policies or requirements of WMAA, which are based upon or are in any way related to such hazardous material used on or in the Hangar. If a spill or release of fuel or any other regulated substance to the environment occurs, TENANT shall be responsible for cleanup of the fuel or substance released, and shall notify the WMAA of the spill or release and of the steps taken in response.
- **29. TAXES**. TENANT shall pay all personal property taxes which may be levied and assessed in connection with its occupancy of the Hangar.
- **30. NOTICES**. All legal notices, including notice of termination, required hereunder shall be in writing and shall be deemed to have been given if either delivered personally or mailed by registered or certified mail to WMAA at, West Michigan Airport Authority, ATTN: Airport Manager, 60 Geurink Blvd., Holland, Michigan and to TENANT at the address for notices, bills, or statements by giving notice or such change as hereinabove set forth. The date on which such notice is delivered personally or placed with the United States Post Office shall be the date for which notice shall conclusively be presumed to be given, except notice of renewal which shall be effective when received by WMAA.
- **31. SUBORDINATION.** This Agreement shall be subordinate to the provisions of any existing or future agreement between the WMAA and (i) the United States or (ii) the Michigan Department of Transportation relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport.

<sup>&</sup>lt;sup>1</sup> For purposes of this Agreement "hazardous material" includes, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous waste, hazardous or toxic substances or related materials defined in the Comprehensive Environmental Response, Confiscation and Liability Act of 1980, as amended (42 USC Section 96091, et seq.), the Resource Conservation and Recovery Act, as amended (42 USC Section 69091, et seq.) and any regulations adopted and publications promulgated thereto, or any other federal, state, or local governmental law, ordinance, rule, or regulation.

**32. TENANT ACKNOWLEDGEMENT**. By my signature, I declare that I have read each provision of this Agreement and that all the information provided by me pursuant hereto and any attached documentation is true and correct. Further, I declare that I own or have the interest in the aircraft listed in Section 1 of this Agreement represented by such information and documentation.

Meeting Date: June 9, 2025	Agenda Item:
Subject: WMAA FY 2025 Year-End Budget Amendment	Prepared By: Lynn McCammon, City Finance

Recommendation: Approve amendment to FY 2025 Budget

The West Michigan Airport Authority adopted the FY 2025 Budget in April 2024. The Authority typically considers amendments to the budget three times a year; at mid-year, during the following fiscal year's budget preparation, and again at year-end, to avoid budget violations per state requirements.

It is nearly impossible to accurately project all line items in the budget at the time of original adoption. The attached amendments represent revisions based on recent information which has resulted in more appropriate projections. Total budgeted revenues are proposed to be increased by \$23,500 and include:

• <u>Small Taxpayer PPT Loss Reimbursement (revenue)</u> – increase of \$23,500 representing actual (from state) vs estimate based on prior year. This revenue source has historically been difficult to estimate given the state's complex calculation and variables that are not readily available to local entities. Therefore, the proposed amendment is based on the actual receipt of payment from the state in late May 2025.

Total budged expenditures are proposed to be increased by \$12,200:

- <u>Contractual Legal (expenditure)</u> increase of \$8,000 based on recent invoices. Several matters requiring additional legal involvement in the current fiscal year (flight school, personnel transition, lease review, etc.).
- <u>Contractual Building & Grounds Maintenance</u> increase of \$4,200 representing an unanticipated charge for crack sealing.

After the proposed changes, the General Fund FY 2025 ending reserve balance is estimated to be approximately \$971,600, or 119.5% of budgeted expenditures, which is within the Fund Balance Policy range of 75% to 120%. This includes a \$134,000 transfer to the Capital Fund for FY 2025.

Meeting Date: June 9, 2025	Agenda Item:
Subject: Transfer from General Fund to Capital Fund	Prepared By: Lynn McCammon, City Finance

Recommendation: Approve Transfer from General Fund to Capital Fund

The West Michigan Airport Authority approved the Fund Balance Policy on September 26, 2022. The policy recommends an unassigned fund balance be maintained at a target level of 75% to 120% of annual budgeted expenditures.

At the conclusion of the annual audit, Finance prepares an analysis to determine the amount of a potential transfer based on the ending audited balances. For the fiscal year ended June 30, 2024 that amount was \$266,945.

FY 2025 has been a year of transition for the Authority. Therefore, the transfer was on hold until the FY 2025 year-end budget amendment was prepared. Based on this, a transfer of \$134,000 is proposed which will leave the General Fund FY 2025 ending reserves with a balance of approximately \$971,600, or 119.5% of budgeted expenditures, which is within the Fund Balance Policy target range of 75% to 120%. While this amount is the less than the calculation based on the FY 2024 audit, it conservatively reflects the increased level of expenditures that occurred during FY 2025.

Meeting Date: May 12, 2025	Agenda Item:
Subject: Financial Reports for 4/30/2025-Unaudited	Prepared By: Devon Bialik, City Finance

Recommendation: Accept Financial Reports as information

The West Michigan Airport Authority is ten months into fiscal year 2025. Attached are Budget Performance Reports for the ten months ended April 30, 2025 (83.33% of the year), and the Balance Sheet Reports through April 30, 2025.

### GENERAL FUND

### Revenues

Operating revenues for the first ten months totaled \$700,948.62, or 90.40% of budget, and are above expectations due to the timing of property tax payments. April operating revenues include monthly franchise fees, quarterly hangar rentals invoiced, and quarterly/semi-annual hangar land leases billed out. The flight school franchise fee is recorded in a separate account and all invoices through April 2028 have been paid.

### **Expenses**

Operating expenses for the first ten months totaled \$607,163.56, or 87.29% of budget, which is higher than anticipated. This is primarily due to increased contractual costs related to the transition in personnel and increased snow removal costs. Given the transition, the mid-year budget amendment was postponed and instead the FY 2025 budget will be amended as part of the FY 2026 budget process.

### CAPITAL FUND

### Revenues/Expenses

Capital revenues and expenses do not reflect activity as funding information will be obtained from MDOT at fiscal year-end and the related transactions will be recorded then.

### BALANCE SHEET/COMBINED FUND EQUITY

The West Michigan Airport Authority began FY 2025 with a combined fund balance of \$2,450,037.

General Fund Assets totaled \$1,284,008.90 at April 30<sup>th</sup>, comprised mostly of cash. General Fund Liabilities totaled \$52,690.65 at April 30<sup>th</sup> and represent unearned revenue (prepaid lease). The ending fund balance at April 30<sup>th</sup> is \$1,231,318.25.

The combined General and Capital funds cash balance at April 30th is \$2,605,132.

Note: A potential transfer from the General Fund to the Capital Fund in the amount of \$266,945 can be considered.

June 2025 airport manager's report

DATE:

June 5, 2025

FROM:

Jim Storey, interim airport manage Jan Storey

Activity continues to increase at the airport as the weather warms. Here are items of interest for the airport:

- As the Tulip Time organization reported record attendance this year, activity at the airport reflected that increased interest. The planned Tulip Time fly-in May 3, the first Saturday of the festival, saw sixteen aircraft tie-down at WMRA. The following Saturday, May 10, the Volksparade drew twenty-five aircraft to the airport.
- Beta Technologies and the Board of Public Works are near agreement on an electric service contract which will pave the way for scheduling the start of construction for the aircraft electric charging station. In related news, Beta flew passengers for the first time in one of their aircraft for a landing in New York city.

- August 16, a Saturday, will be the annual Wings of Mercy fundraiser and Aviation Day celebration this year. An organizing meeting was held last week with Wings of Mercy leadership, AvFlight staff and Susan Lamar of the Fogg enterprise. It will again be hosted in the Fogg hanger at 1581 So. Washington.
- Apogee Air, a charter company at G.R. Ford Int'l, is hosting a fly-in for Cirrus aircraft on June 21 at WMRA. The company is the Michigan representative for Cirrus. Apogee hosts fly-ins for Cirrus aircraft owners several times a year. Apogee chief pilot expects 10 to 20 aircraft.
- Three separate school organizations have scheduled summer programs at WMRA:
   Hamilton for sixth graders; Ottawa Intermediate for high schoolers, and West
   Ottawa middle schoolers. They start June 16 and end July 18.
- Attached is the news release on the installation of the airport's new fuel farm.
- The consultant selection committee heard presentations Monday (June 2) from the two companies seeking the five-year consulting agreement that starts October 1, the committee members are reviewing their draft recommendation report.

# West Michigan Regional Airport Welcomes New Fuel Farm

Airport transitions all fuel storage to above-ground tanks in proactive move to reduce environmental risks and prevent service disruptions.

**HOLLAND, Mich. / June 5, 2025** — The West Michigan Regional Airport (WMRA) announced the completion of a brand new above-ground fuel farm.

The fuel farm's new \$1.2M structure and design increases safety, reduces environmental risk and triples the airport's jet fuel storage capacity. The airport's FBO, Avflight Holland, provided the upgrade.

The previous fuel storage tanks, which resided underground, were installed in the late 1970s and have passed their projected service life.

Fuel farms are groupings of connected fuel storage tanks used for housing and dispensing large quantities of fuel. Despite their age, the underground storage tanks (UST) continuously passed annual safety inspections, but the increased potential for environmental hazards led to their preemptive replacement.

"Our tanks well-exceeded their service life. Over time, the risk of a UST experiencing damaged lines, corrosion and other issues increases," said Jim Storey, interim airport director at WMRA. "Underground tanks are difficult to maintain, and it can be hard to fix potential leaks without removing the entire system. With expert counsel, the team determined the safest option for our visitors, partners and employees was to install a new system. We're grateful for Avflight's continued investment in the airport!"

As a general rule, environmental organizations, like the EPA, recommend above-ground storage tanks instead of USTs due to the ease of identifying and fixing leaks or component failures. Avflight initiated the planning process in 2023, engaging with engineering firms and evaluating the best areas on-property to build the new fuel farm. The FBO finalized plans and broke ground in August 2024.

Along with the above-ground tanks, new area concrete was poured to create a circular drive. This setup allows for easier access to the tanks for fuel deliveries and transportation to the tarmac. The new storage system holds approximately 30,000 gallons of jet fuel and 10,000 gallons of avgas.
